Time Well Spent.

It's your time.

Located just off Queensland's Gold Coast, on beautiful South Stradbroke Island, Couran Cove Island Resort is an idyllic holiday or conference destination where you will always find the truly natural. It's a special place that is in harmony with how it all began – a haven of peace and tranquility.

You are in control.

Our luxury accommodation gives 'waterfront' a new meaning. Enjoy the calming views...
You can choose from marina and lagoon views or rooms set amongst native bushland.

Enjoy the simple things.

You will quickly understand that there is too much to do in one day. It's your time to relax & recharge, time to do everything with a range of sport & leisure activities for all ages... or simply do nothing at all.

This is your time, rest assured every moment will be time well spent.

The choice is all yours.

The hardest decision is what to try first...cycling, tennis, lawn bowls, swimming, beach volleyball...
Mini golf, table tennis, indoor/outdoor gym, kayaking, banana boat rides, fishing and a whole lot more.

Discover peace of mind.

In a world that strives to build bigger, move faster and go further, it's nice to get back to nature and slow down. Drop out of the concrete jungle. Unravel. Unwind. Relax. Recharge. Rejuvenate. Spend some time together.

Anything but conventional.

Events are anything but conventional. It's a clever choice when you need to combine some focus with fun.
Really get away and enjoy tranquil marina or ocean views, exceptional cuisine and state of art facilities.

Truly unique locations.

Employ our imagination for memorable conference or themed events. Re-invent, re-energize or build a stronger team in a truly unique, natural environment – all just a stone's throw from the famous attractions of the Gold Coast.

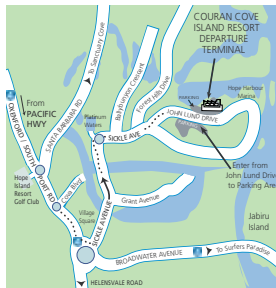

Time for yourself.

Make some time to pamper yourself – you deserve it. Our Day Spa is the perfect place to relax and rejuvenate with a body wrap, body scrub, hydrotherapy, facial, manicure, pedicure, yoga or tai chi class and more.

Time well spent.

Couran Cove Island Resort offers an ideal learning environment with an abundance of native birds and wildlife. It is one of the Australia's leading eco-tourism resorts, boasting a unique indigenous history and a genuine passion for the natural environment.
